

Dear Ministry Friends,

“And this hope will not lead to disappointment. For we know how dearly God loves us, Because he has given us the Holy Spirit to fill our hearts with his love.” Romans 5:5

HOPE...is not a wish. Hope is not happy thoughts. Hope is not kinder thoughts. In the Kingdom of Christ – HOPE has a name and His name is *The One, The Only King Jesus!*

He was The Suffering Servant who is also our Redeemer, Savior, and our Lord. It can be no other. For, Hope, yes Hope has a name. His story is elevated to the place where no other story can compete nor compare because His story is the place where each of us truly begins to live! Jesus made our story live at the cross and propels our story forward only in His Resurrection.

So His story, THE STORY OF HOPE ...the salvation story --- claims highest prize, highest merit, the highest heights that HOPE can achieve. For it's through Jesus' story that Hope has a resting place, a destination well worth talking about, telling about, re-telling and perpetuating that joy!

Strategic Communications Group's VOICE OF HOPE radio station network is none other than a megaphone to tell Jesus' Story. Is there a greater story to tell? No. As believers, it is our number one priority while He gives us any breath to tell it. We are, right now, at the precipice of decision...what decision you might say back to me... What will you do? What will we do...with God?

Nightwatch Broadcast Voice of Hope - Americas

John and Heather Tayloe felt an urgency to launch and host a new, evangelistic “live” broadcast in 2021 on our Voice of Hope - Americas radio station.

It's called *Nightwatch*, and it airs nightly with thematic, Holy Spirit driven messages, conversations and prayer with music, which are centered fully around the Word.

The Nightwatch broadcast is directed toward those who do not know Jesus to challenge them into His household through Jesus' Salvation, those who've walked away from a life of faith to summon them back and also to serve as an encouragement to those who already know the Lord to go still deeper with Him!

Listen Live to Nightwatch:

"I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing. I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you." Genesis 12:2

This is not a new question. But I think we can find common footing in that it has become a more burning question than ever in our lifetime. We've become more aware of time, the times, how much or how little time we all might have. It will always be the RIGHT TIME, however to tell about Hope, while there IS TIME.

In the Song of Moses in Exodus 15:11 after the Hebrew nation had crossed over onto the other side of the Red Sea...a full impossibility -- made

possible by none other than the Mighty hand of no other God but Jehovah... he sang this with the children of Israel, *"Who is like You, O Lord, among the gods? Who is like You, glorious in holiness, Fearful in praises, doing wonders?"*

Our answer in response can't even take a second of breath to "think about it" further. Our answer to "Who?" can be none other than our God! King Jesus is His name! We own it as our God, our Father, the Maker of Heaven and Earth...THAT is WHO He is!

He is OUR HOPE! He is Our sustainer! He is our Way-Maker! He carves roads, He is our Spiritual Rock from whom we all get our sustenance to live. Through no other name, by no other name, by no other means can we arrive at the final destination of our HOPE.

Thank you, wholeheartedly, for those who stood by and kept helping and praying to sustain the VOICE OF HOPE radio network's harvesting voices. These are critical hours to deliver comfort and to point to the Person who is Peace, pouring out Words of life and light in the midst of unparalleled messaging of darkness and gloom dispensed world-wide. These beacons of hope kept sharing Jesus because you prayed, you remembered and you gave. Thank you dear ones!

In the Service of the King,
