

March 2023

Dear Voice of Hope Family:

Heather and I have just returned from Israel. We have been working with our on-air broadcast team at the VOICE OF HOPE - 1287 AM. There is much good news to report to you!

Revival is moving across Israel, Syria, Jordan, Lebanon and the greater Middle East. Men and women, young people alike are following Jesus for the very first time! It is God's timing to pour out the Gospel message of Jesus into this region. Will you help us do that?

John and Heather in Jerusalem. God is working throughout the land. Fires of revival and hearts are changed because of a move of God's Holy Spirit in the region.

Even now, the VOICE OF HOPE radio outreach is ministering in a powerful way through prayer and testimony to thousands who were so devastated in the Syrian earthquake over a month ago. The region is tense as divisions widen between nations. The people are in need of hope and disillusioned by political and religious norms, they cry out for a Savior. Many are finding Jesus through the VOICE OF HOPE missionary radio. We thank Jesus for putting these powerful tools into our hand for this important hour.

We continue to extend our reach to millions more listening to our live broadcasting on social media, web streaming, and through our free VOICE OF HOPE - iPhone and Android App's broadcasting day and night the Gospel message in Arabic and some English.

Today, we are in need of a significant investment to sustain the VOICE OF HOPE broadcasting from Israel. Would you help us do that? To date, we have raised \$120,000 of the \$675,000 needed to support this missionary radio outreach this year. This is good ground to invest Kingdom dollars. Would you pray and ask God for His generous provision, released through you and others as we move forward with strength, power and authority in Jesus strong name?

Ministering live over the Voice of Hope radio in Israel.
Reaching over 40 million people with the love of Jesus.

Ahlam from Lebanon: *“In all my hard moments that I was going through I found the Voice of Hope radio always beside me. I am praying as you prayed for me in my sickness” may the Lord be with you and keep you, protect you. Because of the words I heard on the Voice of Hope radio, I have hope in my heart.”*

A Testimony of a woman caught in the earthquake, Antioch Syria: *“All the houses around were damaged but nothing happened to my house! Even through the power outage and food shortage. She was praising and singing to the Lord and praying from the psalms giving testimony of Jesus over the Voice of Hope.”*

Vera Souti from Israel: *“Hallelujah all the glory be to God because He is the mighty God and healer he hears and answers prayers, nothing impossible for him. Thank you Voice of Hope for your words of life in Jesus Christ.”*

John in our VOICE OF HOPE radio studios located on the southern shore of the Sea of Galilee.

Enas from Israel: *“I feel the peace of the Lord Jesus since I heard the Voice of Hope radio and felt the power and the touch of the Lord. May the Lord gives you as a radio team, the wisdom, power, courage and victory to continue and speak boldly, without fear! I forgot my pain, tiredness when I listened.”*

Thank you for standing with us, and for allowing us to ask generously for the sake of those who have yet to hear the Salvation message of Jesus Christ.

In His service, to the glory of God!
