

Dear Ministry Partner,

***“Wherever you hear the sound of the trumpet, join us there.
Our God will fight for us!” (Nehemiah 4:20)***

PLACES EVERYONE!

From theater groups to orchestral circles, you’ll recognize the verbal cue, *“Places everyone!”* It’s usually accompanied by a few attention-grabbing claps from the director to bring a settling calm to the hum of human activity. For, what follows at this all-important moment, as mouths hush and all expectant eyes are raised and then fixated on Him, the director, for *His specific, perfectly timed signal.* While awaiting his sure cue, hands are placed at the ready, hovering skillfully over the particular instrument, or the body in readied position on the required tape mark on the blackened stage floor...right? And that, my friends, is where I believe we’re at on the spiritual timeline. As we enter 2019, let us be listening, a freedom from distraction and certitude of vision or purpose. For it is time to take our places in preparation of the Harvest and all that the Lord will do through us and in us in the New Year.

“We are excited about 2019 and all the Lord will do through the VOICE OF HOPE radio stations worldwide.”

- John and Heather Tayloe

GO INTO ALL THE WORLD

As we finish strong in 2018, we have so much to be thankful for. The impact of our Strategic Communications Group’s VOICE OF HOPE radio stations is reaping a bountiful harvest of those committing their lives to Jesus. Some are experiencing healing and all are being transformed by the proclaiming of God’s Word. But what’s really to be our *gauge* for ministry outreach? When is our harvesting work done? Matt 24:14 ***“And this Gospel of the Kingdom will be preached in the whole world, as a witness (testimony) to all nations, then the end will come.”***

We’re told about many events that need to take place and just as many theories about how that will all play out. Wherever on that scale of understanding you lay, *what we can know for certain*, as those in His End-Time body, is *what our “places” are to be...*and that’s occupying

positions in the fields whitened for harvest, feeding His sheep, serving the physical and spiritual needs of those who know they're hungering for more than just earthly food and water...as well as those that don't yet recognize their dire need for a Savior. We're to remain at that task until His Kingdom comes.

SPIRITUAL STRENGTH FOR THE NEW YEAR

Hebrews 12:12 tells us to *"strengthen the hands which hang down, and the feeble knees..."*. Our prayer is that as you've helped us do this around the world, the Lord Jesus will also be at work to strengthen your body, quicken your spirit and facilitate the Harvest in your own sphere of influence and well beyond to the peoples of the entire earth!

Perhaps more than ever, NOW is the time to strengthen our efforts to sustain and expand the delivery of the Gospel message of Jesus' salvation to millions through our VOICE OF HOPE – ISRAEL, HOPE – AFRICA and VOICE OF HOPE – AMERICAS radio stations!

In January, \$250,000 is needed towards our \$1.3 million budget and we are asking God for His strong and miraculous provision. These funds will be applied directly to our work in Israel. Would you pray and give as the Lord leads you?

Thank you for standing with us this year and for your notes and emails of encouragement and gifts that allowed us to finish 2018 strong and head into the New Year with great anticipation and expectation of what God will do. We stand in readiness for His cue!

In His service,

John and Heather Otis Tayloe
President and Founders
